

About Fleaheart

Fleaheart is a full service screen printing studio and design collective located in the Greenpoint Pencil Factory in Brooklyn New York. Founded by Andy W. we provide the highest quality shirts, posters, and printing services for boutique labels, local businesses, and musicians. Distinguished by an architect's attention to detail, we specialize in unique processes including dye discharge, burnout, metallic foil, water based inks, blends, over-sized prints, dye sublimation, and architectural printing on unique surfaces.
